

LIGHT/SIREN CONTROLLERS
F3.3150

- Selectable setting for flash pattern
- Input Voltage: 11 to 16 Volts DC
- Operation Temperature Ranges: -30°C to +65°C
- Standby Current: 0.05mA ± 10%

SIREN SPECS

- Operating Current: 10Amps
- Frequency Range: 700 to 1640 Hz
- Cycle rate: Wail - 17 cycles/min
Yelp - 230 cycles/min
Stinger - 1000 cycles/min

- Meets SAE J1849

RDS16S

- 14 controlled outputs:
3@20Amps, 11@10Amps
- All control outputs are solid state relays
- Park Kill
- Operates one or two 100W speakers
- Meets SAE J1849

PDU42WB

- Organizes vehicle wiring runs
- All power connections at one central location
- Provides direct Power, Ignition Power and Timed Power
- Makes a safer electrical connection to vehicle
- Built-in Watchdog

DRCS100 SPEAKER

- DRCS100 is one of D&R's most innovative cast 100 Watt speakers
- Class A - SAE approved
- Dimensions: Width - 6.5", Height - 5.375", Depth - 3.0"

935-0060A

- Bracket for use in 2011 Chevy Caprice to mount DRCS100 speaker

L12I LED INSERT

- Lamp and In-Line flasher are fully encapsulated for moisture and vibration resistance
- Includes synchronize feature for alternating and synchronous flashing of multiple lamps
- Ultra small

PUSHBUMPER W/MR6 LIGHTS

PRISONER CAGE

GUN MOUNT

WB-CAPRICE

- Rear window bar is offering protection from windows being kicked out by restrained prisoners while placed in the back seat
- Designed to fit with rear partition cages by Setina Manufacturing
- Optional dual MR6 light module per side for side warning coverage

PL-46 LINEAR LIGHTBAR

- New generation lightbar that combines the best features of LED technology
- Mounting kits available for most makes and models of vehicles
- Meets all applicable SAE Class 1 and California Title XIII when properly configured
- Strong Extruded aluminum frame and UV treated polycarbonate lens
- Available sizes:
Length - 22" / 35" / 46" / 56"
Width - 13.0"
Height - 2.75" (w/o mounting feet)

MR6-8TD-R/B

MR6-8TD-R/B TRAFFIC DIRECTOR
State of the art bi-functional (warning device and arrowstick) traffic warning device, designed to be compact yet provide maximum light intensity.

MR6 LIGHTS

- The latest in LED technology
- Surface mount linear LED flashing modules ideally suited for use in directional warning solutions
- Compact modules provide great versatility for a wide range of mounting options
- All modules are sealed, waterproof for external mounting applications
- Multiple Flash Patterns built-in
- Dimensions:
Length - 3.25" / Width - 1.25" / Depth - 1.1"

ML81 LIGHT

- Surface mount module
- 8 LEDs per module
- Lamp and In-Line flasher are fully encapsulated for moisture and vibration resistance
- Able to synchronize in both alternating and synchronous modes
- Safe low voltage wiring
- Black or White external bezel

901-0078A Console

- Designed to fit 2011 Chevy Caprice
- Floorplate not required to install this console
- Allows mounting up to 5 pieces of equipment
- Power outlets on passenger side of console

CA-0129/CA-0130

- LED Maplight
- Available in 12" & 18" lengths
- 3 Phase light intensity 1 Watt LED
- 280° Turning Radius
- Dual 1 Watt Red & White LED's

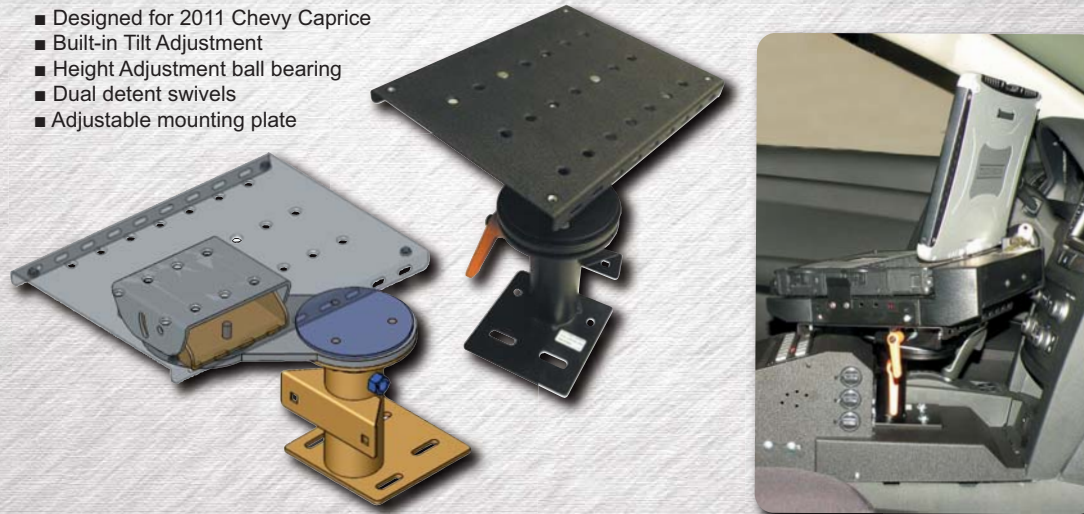

904-0123A

* NEW *

906-0195A

- Designed for 2011 Chevy Caprice
- Built-in Tilt Adjustment
- Height Adjustment ball bearing
- Dual detent swivels
- Adjustable mounting plate

932-0018A

- Full size Electronic Trunk Side Door compartment for Chevy Caprice
- 932-0018A - Driver Side Mounting
- 932-0020B - Passenger Side Mounting

MINI ODYSSEY LIGHTBAR

- Compact lightbar and arrowboard combination
- The retractable motorized arrowboard/traffic director and Message Board provides superior visibility in a low profile configuration
- Full advantage of a 360 degree lightbar when in lower position
- Motorized for easy deployment
- Mounting kit included
- Meets SAE Class1 when properly configured

LT6600 / 906-0190A

- Passenger Side Mount connects to the passenger seat bolts using specific vehicle Mounting Kit
- Full featured computer mount with height, tilt, dual swivel and extension adjustments
- Various mounting kits available depending on the make, model and year of vehicle

LT6600 Mounting Kit for 2011 Chevy Caprice
LT66MK-Caprice

932-0022A

- 2011 Chevy Caprice trunk drawer
- Full width trunk equipment tray made from 10-gauge aluminum that slides out for easy equipment placement and maintenance
- Spare tire must be removed or relocated to trunk floor
- Front is protected with a perforated aluminum panel
