# POWERFUL

Whether it's a snowy roadside emergency, a rainy late-night repair or just a moonless night on the lake, power is the first priority in portable lighting. GOLIGHT™ is continually developing and testing new bulb and reflective technologies that produce brighter, more powerful light sources. GOLIGHT's™ Cr PentaBeam Technology applies its powerful 400,000 candlepower light source to a unique beam pattern, designed for both close and distant usage. It's powerful center beam projects up to one half mile, while the short range pattern brightens a broad area with consistent light.

# VERSATILE

GOLIGHT's™ patented designs reflect the thousands of uses and applications for portable lighting. All GOLIGHT's™ units combine 370° rotation with 120° tilt-creating a sphere of coverage that reaches the most extreme angles. GOLIGHT's™ three remote controls give precision control from almost anywhere - inside a squad car, atop a boom truck or from your own back yard. The mounting options, permanent or temporary, are designed for versatility.

# DURABLE

Whatever nature throws at a GOLIGHT™, you can depend on its high quality, construction and materials. Every aspect of the GOLIGHT™ is designed for durability and strength. The highest quality UV materials are implemented into impact resistant casing to protect from cracking, warping and discoloration. The vital mechanisms of each GOLIGHT™ are sealed from exposure to rain, snow and dirt .

- Weather resistant seal prevents water, sand and other particles from damaging critical internal mechanics.
- Highest quality UV materials show no sign of yellowing or deterioration.
- High-impact outer casing protects the entire unit from unexpected blows.

# GUARANTEED

Every GOLIGHT™ now carries an extended **3-Year Limited Warranty**, which gives you the assurance that each unit is designed and manufactured to the highest quality standards. GOLIGHT™ offers exceptional customer service for the private consumer, and flexible customization for corporate and industry buyers. From military use to high-end recreational vehicles, GOLIGHT™ is ready to meet customer's specific needs. Feel free to call our customer service representatives.

# PRODUCTS

**GOLIGHT Model 2067 (white)**

- Permanent Mount Searchlight
- Dual Remote(Dash Mount & Wireless)
- 370° Rotation x 120° Tilt
- 400,000 Candle Power, 5.5 Amps
- U.V. & Salt Water Resistant
- 3 Year Warranty

**GOLIGHT Model 2049 (black)**

- Permanent Mount Searchlight
- Dual Remote(Dash Mount & Wireless)
- 370° Rotation x 120° Tilt
- 400,000 Candle Power, 5.5 Amps
- U.V. & Salt Water Resistant
- 3 Year Warranty

**RADIORAY Model 2100 (white)**

- 12” Stantion Mount Search Light
- Programmable Wireless Remote
- 2 Prong Receptacle Included
- 370° Rotation x 120° Tilt
- 400,000 Candle Power, 5.5 Amps
- U.V. & Salt Water Resistant
- 3 Year Warranty

**RADIORAY Model 7951 (black)**

- Portable Searchlight
- Programmable Wireless Remote
- Suction Cup & Magnetic Mount Shoe
- 15’ Cord with Cigarette Plug for 12V DC
- 370° Rotation x 120° Tilt
- 400,000 Candle Power, 5.5 Amps
- U.V. & Salt Water Resistant
- 3 Year Warranty

**RADIORAY Model 2110 (black)**

- 12” Stantion Mount
- Programmable Wireless Remote
- 2 Prong Receptacle Included
- 370° Rotation x 120° Tilt
- 400,000 Candle Power, 5.5 Amps
- U.V. & Salt Water Resistant
- 3 Year Warranty

**GOLIGHT Model 5167 (white)**

- Portable Searchlight
- Wireless Remote
- Suction Cup & Magnetic Mount Shoe
- 15’ Cord with Cigarette Plug for 12V DC
- 370° Rotation x 120° Tilt
- 400,000 Candle Power, 5.5 Amps
