

WARRANTY

D & R Electronics warrants its new products to be free from defects in material and workmanship, under normal use and service, for a period of one year on parts replacement, and one year on labor. This warranty applies only to original purchasers acquiring the product directly from D&R Electronics, or its authorized dealers. Warranty will not be recognized without proof of purchase or bill of sale. This warranty is not transferable. The warranty begins on the date of delivery to the first user/purchaser. This warranty shall not apply to products which must be repaired due to normal wear and tear, negligence, improper installation, abuse, misuse, or which have been altered or modified at a facility other than D & R Electronics, or its authorized depot center. Units proved to be defective within the warranty period, based on an examination by D&R Electronics, will be replaced or repaired at D & R Electronics' option. This warranty does not cover travel expenses or labor charges for removal or installation. Lamps, flash tubes, batteries or other items considered consumables are not covered under warranty.

This warranty is in lieu of all other express warranties. D&R Electronics makes no other warranties, expressed or implied, than the express warranties contained herein.

PRODUCT RETURN POLICY

In order to provide you with faster service, product returns for repair or replacement, must have a **Return Goods Authorization Number (RGA number)**. Please contact our company to obtain a RGA number before you return the product to D & R ELECTRONICS. Write the RGA number clearly on the package. Be sure you use sufficient packing materials to avoid damage to the product being returned while in transit.

D & R ELECTRONICS assumes no responsibility or liability for expenses incurred for the removal and/or the installation of products requiring service and/or repair. Repairing or replacing product is at the discretion of D & R ELECTRONICS.

Installation Instructions	1-3
Warranty & Product Return Policy	4

Installation Instructions

Step 1

Remove front bumper

1/29/2013

Installation Instructions

Step 2

Remove plastic cover beside driver side headlight.

Step 3

Mounting Speaker to bracket using 1/4-20 x 1-1/4in Hex bolts

Step 4

Remove 2 factory bolts to mount speaker bracket. Keep aside for installation of bracket.

Step 5

Install speaker bracket with to front rad support. Attached top of bracket behind rad support using 1/4-20 x 1in Hex bolt, with flat washer and lock washer.

Re install lower bolt removed in Step 4 for the bottom of the speaker bracket.

Step 6

Trim plastic trim to fit around speaker and bracket.

Step 7

Wire speaker and re install front bumper. This completes the installation for the DRCS110 into your 2013 Dodge Durango.
