UNPACKING

Before beginning any installation, unpack the equipment received. After unpacking, examine **ALL** components received for any damage that may have occurred while in transit. If any damage has occurred, file a claim **IMMEDIATELY** with the courier stating the extent of damage. Check **ALL** envelopes, packing slips, shipping labels and tags

before removing or destroying them.

To ensure your satisfaction, open all cartons and report any shortages **within 48 hours of receipt.**

<u>OR</u>		
801-0798A	Console Main Body	1

Note*: These components are optional and need to be ordered separately if desired.

Note*: These components will come pre-installed using the hardware listed above.

Installation Instructions:

Part A: Vehicle Preparation

Step 1A:

Remove the factory center seat or mini console. Hold on to the hardware for future steps.

Note: There may be a OEM Smartlink/ Telematics module mounted to the transmission hump. This will need to be relocated in order to mount the rear console bracket.

Step 2A:

Unplug and Remove the 12V and USB outlets from the vehicle. Caution! Do not use excessive force.

Part B: Installation of new console

Step 1B:

Carefully place the Console Main Body 801-0787A or 801-0798A depending on the version purchased into the vehicle aligning the contour of the console with the dash.

Figure 1.0B

Step 2B:

Place the front and rear mounting brackets into the console. **Loosely** fasten to the Main Console Body using 1/4-20 x 3/4" Carriage Bolt (x8), 1/4 Flat Washer (x8) and 1/4-20 Nyloc Nut (x8). Using the previously removed factory hardware **loosely** fasten the mounting brackets to the vehicle.

Figure 1.1B

Step 4B:

If desired, install the Front Filler Plates (801-0790A) to the front of the console using #10-32 x 1/2" screw (x4), #10 Lock Washer (x4) and #10 Flat Washer (x4) to block off the front factory pocket of the vehicle as shown in Figure 1.3B.

Figure 1.2B

Step 5B:

Tighten down all the hardware and installation is complete.

WARRANTY

D & R Electronics warrants its new products to be free from defects in material and workmanship, under normal use and service, for a period of one year on parts replacement, and one year on labor.

This warranty applies only to original purchasers acquiring the product directly from D&R Electronics, or its authorized dealers. Warranty will not be recognized without proof of purchase or bill of sale. This warranty is not transferable.

The warranty begins on the date of delivery to the first user/purchaser. This warranty shall not apply to products which must be repaired due to normal wear and tear, negligence, improper installation, abuse, misuse, or which have been

altered or modified at a facility other than D & R Electronics, or its authorized depot center. Units proved to be defective within the warranty period, based on an examination by D&R Electronics, will be replaced or repaired at D & R Electronics' option. This warranty does not cover travel expenses or labor charges for removal or installation. Lamps, flash tubes, batteries or other items considered consumables are not covered under warranty.

This warranty is in lieu of all other express warranties. D&R Electronics makes no other warranties, expressed or implied, than the express warranties contained herein.

PRODUCT RETURN POLICY

In order to provide you with faster service, product returns for repair or replacement, must have a **Return Goods Authorization Number (RGA number)**. Please contact our company to obtain a RGA number before you return the product to D & R ELECTRONICS. Write the RGA number clearly on the package. Be sure you use sufficient packing materials to avoid damage to the product being returned while in transit.

D & R ELECTRONICS assumes no responsibility or liability for expenses incurred for the removal and/or the installation of products requiring service and/or repair. Repairing or replacing product is at the discretion of D & R ELECTRONICS.
